Ribbon Cutting Ceremony

A ribbon cutting ceremony was held on May 19, 2011. Several Chamber Members were present to help us celebrate the occasion. We are very excited to be part of the Germantown Community and were so touched that so many members of the community came to help us "open our doors". Easy Living Home Health Care has been awarded CHAP accreditations standard of excellence. CHAP accreditation demonstrates that Easy Living Home Health Care meets the industry's highest nationally recognized standards. Rigorous evaluation by CHAP focuses on structure and function, quality of services, and products and long term viability. Currently Easy Living Home Health Care provides services in Milwaukee, Waukesha, Ozaukee, Washington, and Sheboygan Counties. We are moving to a larger office in the same building in June. Please save the date of July 21st from 3-6 PM for our Open House.

Ribbon Cutting Ceremony Held May 19 at our Corporate office located on Stonewood Drive in Germantown

CORE Employee Recognition Program

Here at Easy Living Home Health Care and Mueller Therapy we know our employees are the best. We are all a team working toward one common goal. Complete Customer Satisfaction.

We have an exclusive CORE program. Here co-workers, supervisors, customers, and families served can submit a kudos for our employees.

When someone sees our employee exhibiting CORE Values, Consistently providing Optimal Care, Respecting each other and customers by providing Excellent Service, they turn in a slip. These slips will be placed in a drawing for fabulous prizes. These prizes will be awarded quarterly. Each kudos equals one submission so people may have multiple slips. Help us make this program a success!
